Enterprise CAL Suite
Client Access License*Your path to a
people-ready infrastructure*

Microsoft Enterprise Client Access License Suite

The Microsoft Enterprise Client Access License (CAL) Suite brings together 11 of the latest Microsoft products to provide your people with the newest innovations in compliance, real-time collaboration, security, communication, desktop management, and more. The Microsoft Enterprise CAL Suite provides an outstanding opportunity for customers to use their existing investments in the Microsoft core platform.

Furthermore, the Microsoft Enterprise CAL Suite provides a significant cost savings compared to the purchasings of individual CALs. Customers considering investments in just two of the products included in the suite will find that the economic value of the Microsoft Enterprise CAL Suite becomes compelling.
