

## **Adobe Volume Licensing**

### **Volume License and Media Pack Purchasing Information**

PRICE AND AVAILABILITY SUBJECT TO CHANGE WITHOUT NOTICE!

Orders must be accompanied by Department Name, Address, Contact Name, Title and Email Address. If the end user does not have an email address, then a fax number must be provided.

Effective January 17, 2003 there are NO Minimum order Points for Adobe Licenses!

NO RETURNS OF VOLUME LICENSING OR MEDIA!

Shipping timeframe - 7-14 business days. (subject to availability and seasonal circumstances).

Media & documentation - media & documents must be purchased at the time of original license order, unless you have purchased a Maintenance Agreement with your original licenses.

Media may only be purchased with new licenses. Prior ownership of a license DOES NOT qualify you to purchase a media pack without a new license.

Maintenance agreements are available for most licenses. All maintenance agreements will expire at the same time as the original 2 year contract. Maintenance purchased during the middle of the contract is prorated (reduced in price) to match the 2 year contract.

Customer must have one legally acquired copy of the software for installation purposes.

License includes the right to duplicate documentation up to number of licenses owned.

Delivery - The license will be delivered via email, direct to the end user. - The media and doc will be shipped via UPS direct to the end user.

## **Macromedia Volume Licensing**

### **Volume License and Media Pack Purchasing Information**

PRICE AND AVAILABILITY SUBJECT TO CHANGE WITHOUT NOTICE!

Orders must be accompanied by Department Name, Address, Contact Name, Title and Email Address. If the end user does not have an email address, then a fax number must be provided.

NO RETURNS OF VOLUME LICENSING OR MEDIA!

Each Macromedia License has a point value, you must have a total of 10 points to place an order.

You may mix and match multiple software packages to meet the minimum point value.

Maintenance/Subscription/Upgrade Insurance: a renewable 2 year subscription entitles the customer to receive free version upgrades, updates, and bug fixes during the active subscription period. It must be purchased at time of sale or within 30 days. > Important: MVLP subscription renewals can only be sold 90 days prior to the current subscription expiration date.

Upgrades: Available. Upgrade orders require that serial numbers associated with the product being upgraded be provided on the purchase order. (Any orders that are submitted without serial numbers will be rejected. Rather, they will be logged into an anti-piracy file and potentially targeted for audit.) Upgrades will count toward buy-in minimums. Cross-platform upgrades are not allowed.

License Order Fulfillment: Order consists of License Certificate including a unique program membership number, "right to copy" licenses in accordance with the license purchase, one multi-user serial number per product family, one media, one documentation per product title, and End User License agreement for software and technical support purchases.

Media and Documentation/Manuals: One set of media is included with each product title. Docs are available on the CD for download

Additional media: . May purchase additional media, not to exceed number of licenses purchased.

Additional documentation/manuals: Documentation may be purchased up to the number of licenses purchased.

Documentation available on the CD for download: Yes

Documentation available via internet for download: Some titles

Concurrency: Yes! End User Must register their products as concurrent on website:

[http://www.macromedia.com/buy/volume\\_license/concurrent\\_licenses/atlo/](http://www.macromedia.com/buy/volume_license/concurrent_licenses/atlo/)

Contract Number/Registration number/serial number required: Serial numbers needed for upgrades.

## **Microsoft Campus Licensing Agreement**

**PRICE AND AVAILABILITY OF ALL SOFTWARE IS SUBJECT TO CHANGE WITHOUT NOTICE!**

Remember, if you do not use your Campus/School Agreement Product Key, installations beyond the two allowed by the terms of the retail End User License Agreement will fail. You must use the Media pack (not the retail box) for any installation of Microsoft applications. Any CD may be used for Microsoft Operating Systems.

### **MICROSOFT CAMPUS AGREEMENT OVERVIEW**

The Microsoft Campus Agreement (MSCA) is an ANNUAL LICENSING PROGRAM specially created to address the unique needs of higher education institutions.

Currently, the Campus Agreements are effective on July 1 and January 1 of each year. If a dept. elects to participate in the agreement requisitions must be sent to the Computer Store a minimum of 2 weeks prior to the agreement start dates.

The Campus Agreement is based on the concept of licensing Staff & Faculty instead of the number of PCs that is owned by the department. Therefore, you do not need to buy licenses for any machines that are in labs owned by the participating dept.; the lab machines are covered under the licenses purchases for the faculty and staff. You must license ALL the staff in your dept.; one license for each full time staff or faculty member, and 1 license for every 3 part-time faculty, and 1 license for every 2 part-time staff (including student assistants and GTAs).

The Campus Agreement gives higher education institutions the right to run the licensed software for a 12-month period, (July 1 thru June 30 or January 1 thru December 31 depending upon the start date of the agreement) and licenses all upgrades of the software throughout the term of the agreement.

At the end of the 12 month period the dept. must do one of the following:

- 1) Renew the license; (you will pay for the licenses for your staff every year),
- 2) Cancel out of the annual subscription model by purchasing the upgrades (for each PC; not the number of staff & faculty that were licenses), or
- 3) Remove the software from the machines.

### **MICROSOFT PRODUCTS COVERED**

The basic Campus Agreement includes the following platform of products:

Microsoft Office Standard or Professional (not Premium) editions, including Mac editions

Microsoft Windows Upgrades, including Millennium, 95, 98, NT, 2000, XP Home, and XP Pro.

The Computer Store part number is [LIC5251](#) and costs \$52.00 per license; media packs are \$30 each (Please call the Computer Store for part numbers).

CORE CAL has replaced the BackOffice CAL and includes SMS, Exchange, Windows and SharePoint Portal Server CALs.

Other Microsoft applications (Visual Studio, Visio Pro, Project, FrontPage, & Publisher) may be available

under the Campus Agreement; contact [Alice Hansen](#) phone: 407-823-2903 for details.

License Cost Calculations  
FACULTY/STAFF

No. FULL TIME Faculty \_\_\_\_\_

No. FULL TIME Staff + \_\_\_\_\_

No. Part-Time Faculty/3 + \_\_\_\_\_

No. Part-Time Staff/2 + \_\_\_\_\_

Total No. of Licenses = \_\_\_\_\_

Calculation Example

200 full time faculty	200
100 full time staff	100
45 part time faculty (45/3)*	15
60 part time staff (60/2)	30
Total No. of Licenses	345

(Note: lab PCs are covered at no additional charge.)

\*Visiting Professors should be counted as part time faculty  
Software Media/Installations

### **Applications**

Participating departments/schools must purchase media packs (available thru the Computer Store; see attached prices) for the various software application products (Office, FrontPage, Visual Studio Pro). Media packs allow for multiple installations from the same CD; do not use retail package CDs to do installations for the Campus Agreement. For application installations a "product key code" will be issued to the contact persons on the Computer Store requisition for the order.

### **Operating Systems**

For operating system installations, any original CD may be used to install operating systems. You do not need to contact Microsoft to get a product key code for operating system installations; you reference the 25-digit code that is listed on the CD for the installation.

### **Participation**

To participate in the Microsoft Campus Agreement you must complete a [Computer Store Requisition](#) form as well as the [Campus Agreement FTE Calculation](#) form. The two forms must be faxed to the Computer Store, Attn: Alice Hansen, Fax 407-823-3381. The deadline for the July contract is June 20 and for the January contract is Dec. 15.

Expense funds will be encumbered for the purchase. Any questions regarding the Microsoft Campus Agreement should be referred to Alice Hansen, UCF Computer Store, 407-823-2903, Fax 407-823-3381, email [alice@mail.ucf.edu](mailto:alice@mail.ucf.edu).

## **Symantec Volume Licensing**

### **Volume License and Media Pack Purchasing Information**

**PRICE AND AVAILABILITY SUBJECT TO CHANGE WITHOUT NOTICE!**

Orders must be accompanied by Department Name, Address, Contact Name, Title and Email Address. If the end user does not have an email address, then a fax number must be provided.

**NO RETURNS OF VOLUME LICENSING OR MEDIA!**

The UCF Computer Store is implementing another option for departments that want to purchase new Symantec AntiVirus software licenses or renew existing licenses.

LIC5635	Symantec AntiVirus Enterprise Edition 9.0 and 10.0 license & 1-yr Gold Maintenance	\$29.95
LIC5636	Symantec AntiVirus Enterprise Edition 9.0 and 10.0 1Yr Gold Maintenance Renewal	\$13.95
SOF7447	Symantec AntiVirus Enterprise Edition 9.0 Media Pack Only available with LIC5636! (Clearance)	\$25.00

The software licenses above are significantly discounted from the Corporate version listed on this web page. These licenses are valid from Jan. 1 and July 1 of each year. Departments may purchase any quantity at anytime. If a department wants to buy licenses in March they will still pay the \$17.95 per license but they will only have 10 months on their license and will need to renew in Jan (there is no pro-rating or discounting on the price even though they will only get a

partial year). If the department does not wish to do this then they may purchase the Corporate licenses currently on this web page.
